

John Brown Photography: *Installations*

The Nature Series

Collector: Hogan Lovells

Location: Corporate Headquarters—Washington, DC

Located within a few short blocks of the White House and influential governmental agencies, Hogan Lovells is distinguished by its combination of more than 90 years of institutional experience in U.S. federal law, and an equally significant corporate, commercial, and tax practice that is national and international in scope. Over the past 20 years, the firm has expanded to major cities throughout the U.S., Europe, and Asia. With offices worldwide, Hogan Lovells is consistently ranked among the top global law firms in industry surveys and major publications.¹

Hogan Lovells also installed work from The Nature Series in its New York, NY and Denver, CO offices.
